DISTRICT COMMUNICATION PLAN

SAHARANPUR

September. 2012

Mr. Ajay Kumar Singh, IAS

District Magistrate

Dr. Z.A. Ansari
Chief Medical Officer

Social mobilization begins with a conscious recognition of the problem to be addressed. Polio days are valuable opportunity to raise awareness about the state of the polio eradication and its impact at national and regional levels. Only when people become aware of how the epidemic matters to them and what action they can take will true social mobilization begin
