Remember your responsibilities

Before the SWITCH
1. Don’t overstock, don’t understock tOPV
2. Monitor return of tOPV from last outreach sessions
3. Update weekly tOPV stock on the web portal
4. Ensure ANMs return all tOPV after session
5. Do not open bOPV before THE SWITCH

On the SWITCH Day
1. Remove all tOPV from the cold chain
2. Pack tOPV and mark as WASTE
3. Return waste tOPV to district for disposal
4. Start USING bOPV

After the SWITCH
1. Ensure no tOPV exists at your facility
2. If tOPV found, return immediately to district for disposal
